DETAILED ACTION

Election/Restriction

1. This application is in condition for allowance except for the presence of claims 22-29 to an invention non-elected with traverse in Paper No. 7. Applicant is given ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

Allowable Subject Matter

2. Claims 1, 2, 4-6, 8-11, 13-15, 17, 18, 20, 21, 30-33, and 39-41 are allowed.

Response to Arguments

3. Applicant's arguments filed 8/27/01 have been fully considered but they are not persuasive. Applicant argues that claims 22-29 are searchable along with the original set of claims. The examiner disagrees because claims 22-29 are geared toward a different species, which would require an additional search from the original set of claims and therefore the restriction is proper.
